SPRINT **#236 Sprint_2**

Description

This sprint includes the following:

Part I:
1)Add offline and online meeting function.
2)Report the total hours the teacher spent each month in meetings with students.
3)Add function that shows the number of appointments in each day to the teacher in a progress bar.

Part II:
1)Modifying the class diagram.
2)Modifying ERD schema and mapping.
3)Updating User Help.

Comments
